Privileged flat in elegant alpine-chic style in the heart of St. Moritz, next to the famous Badrutt's Palace and Confiserie Hanselmann. Furnished with exclusive materials by a renowned interior designer, it has a balcony with beautiful views of the lake, St. Moritz village and the mountains. You can reach the amenities of St. Moritz on foot directly from your front door.

The holiday flat has a very cosy living room with a spacious dining table and a leather sofa and a fireplace with Optiflame technology. The sofa converts not only into a large double bed, but also into a cinema couch with a large flatscreen TV. Behind the mysterious antique door is a chic house bar with fine glasses and spirits.

The kitchen, built into the side, is equipped with state-of-the-art appliances including a steamer. The bedroom has three bunk beds plus another pull-out bed and a TV. An elegant rustic bathroom with rain shower is also available. A garage parking space is available in the Serletta car park next to Badrutt's Palace (2-minute walk).

The completely newly renovated flat has been converted into a stylish and luxurious lodge using old wood. It is designed in the style of an exclusive alpine hut with a bench and cosy furs under a romantic antique interior window. Pure cosiness and romance!

The fully equipped kitchen offers a Nespresso machine, an extra-quiet dishwasher, a blender, food processor and chocolate fondue set.

The flat has also been equipped with innovative technologies (WiFi internet, LED lighting, SONOS speaker systems in all rooms, ventilation, and free NETFLIX). The apartment building has a lift.

A unique entrance to the HALLENBAD OVAVERVA of the SPA & SPORTZENTRUM ST. MORITZ with 25-metre pool (28°C), outdoor pool with massage jets and bubble loungers (34°C) as well as sun terrace with deckchairs is included for your well-being.
