Apartment for rent, La Punt Chamues-ch (St Moritz area) (Switzerland)

The apartment forms part of a grand old Engadin farmhouse that was re-modeled to create six superb apartments overlooking a pretty garden.

Situated in La Punt Chamues-ch, a picturesque village strategically located at the sun-drenched foot of the Albula Pass, Apartment is located in a prime position for your luxury ski holiday. Within easy reach of two ski areas: St. Moritz (a 10-minute drive away) and the Zuoz family ski area (a 5-minute drive away), ensures you will be on the slopes in no time! The Mùsella children's ski lift and nearby play-ground mean it is perfect for children to enjoy this family-friendly resort. This chalet is also located in close proximity to transport links - the train station and bus stop are within walking distance to the property. Local restaurants and a grocery store are also accessible by foot

Dating back to 1595, this former Engadin farmhouse has been entirely refurbished to accommodate 6 beautiful apartments. The apartment is the main apartment in this house, with direct entrance from the street through the former barn gate. Infusing original Engadin character with modern furnishings, this luxurious property provides you with the perfect place for your ski retreat! You are greeted into a bright and spacious living/dining space, which oozes authentic historical character, upon entering the property. Relax on the inviting comfortable sofas with a glass of something nice in hand - the perfect spot for unwinding after a long day spent skiing on the slopes. Indulge on the tasty treats prepared by your very own private chef, on the large wooden dining table, with enough space to comfortably seat the entire family. The adjacent kitchen also features a breakfast table, seating up to 8 guests, to prepare you for a hard day's skiing.

A cozy TV room, also located on the ground floor, offers a quiet retreat to relax amongst a typical Endagin style living area. The second apartment entrance and the building's main staircase, as well as an elevator, provides access to a fully equipped laundry room, storage cellar, and in-house garage on the lower ground floor.

In total, Apartment accommodates for up to 11 guests in its 6 luxurious bedrooms. With beautiful old wood, exquisite white linens, and contemporary en-suite bathrooms, this apartment is sure to make your stay in St. Moritz an enjoyable one!
