Stylish mountain home just a short drive from the ski lifts

Offering outstanding views, Chalet is conveniently located just a short drive from the Carrefour and Savoleyres lift stations. Place Centrale and Medran are just a five-minute drive from the chalet. Set over four floors and with 330m² of living space, this luxurious mountain retreat is ideal for a large family or group of friends. The interior has a homely feel with a combination of traditional and modern decor.

The entrance to the chalet on the ground floor is via a spacious ski room, equipped with heated boot warmers. The main living and dining area with double-height vaulted ceilings occupies the second floor. Here you will find sumptuous sofas around a roaring log fire and sliding glass doors which allow plenty of natural light into the room whilst offering a gateway to the awe-inspiring views. Just off the living area is an elegant dining area seating 10 and a separate, well-equipped kitchen which can be closed-off for maximum privacy. Sliding doors lead onto a furnished balcony - the perfect spot for admiring the magnificent mountain views.

Sink into the outdoor hot tub after a day on the slopes

There is nothing better after a day's skiing than soaking aching muscles in an outdoor hot tub, particularly one with panoramic views of the Grand & Petit Combin and Mont Blanc massif. There is also a hammam with en-suite shower for additional relaxation. A TV room with an open fire and a cosy seating area on the first floor is an ideal place for children and teenagers to chill out. A table tennis table in the ski room is sure to satisfy any competitive urges.

Chalet is able to accommodate up to 11 guests across six well-appointed bedrooms. On the top floor is the master bedroom with private balcony and en-suite bathroom, along with a further two double bedrooms. A fourth double bedroom with en-suite shower and balcony access is located on the first floor, along with two twin bedrooms.
