Authentic alpine chalet in the heart of Verbier

Chalet has an exceptional location, just a short distance from the main Medran and Savoleyres ski lifts whilst the center of town is a short stroll away. Combining traditional woods, sumptuous fabrics and antiques handpicked by the owner, Chalet is a wonderful example of authentic alpine luxury. Set over two floors, plus a mezzanine level, this stunning 300 m² property can accommodate six adults and two children across four bedrooms.

The top floor of the chalet is home to a luxurious open plan living and dining area with comfortable sofas set around a natural stone fireplace creating a warm and welcoming ambiance. A rustic dining table seats eight people and doors open onto an expansive south-facing terrace which provides wonderful views of the surrounding peaks.

Family entertainment and relaxation

Sure to keep teenagers, children and adults alike entertained is the TV/games room on the ground floor. Here you can challenge each other to a game of billiard or relax on the retro leather chairs and sofas in front of the TV. Surrounding the chalet is a garden and furnished terrace area with a superb outdoor hot tub, ideal for post-ski relaxation.

The majority of the bedrooms are located on the ground floor. Here you will find a delightful master bedroom with an en-suite roll-top bath and shower, a second double bedroom and a quad bunk room. The fourth bedroom is located on a mezzanine level accessed from the living area and comprises two single beds with a shower room on the ground floor.
