Spacious chalet in Verbier for rent

Located on the mountainside in the Sonalon area of Verbier, Chalet enjoys stunning views of the mountains and the village. Spanning four floors linked by stairs and a lift, this incredible 1000 m² chalet accommodates ten adults and four children in six en-suite bedrooms with an additional separate one bedroom apartment that is suitable for staff. The chalet itself has been beautifully designed incorporating traditional materials with the artistic vision of a leading interior designer and the very latest in modern technology.

Situated on the first floor is the main living area, featuring floor-to-ceiling windows (capturing the mesmerizing mountain views) and an impressive open stone fireplace. Doors open onto an extensive wrap-around balcony where you can enjoy an aperitif as the sun sets. The dining room seats twelve and can be closed off from the living room. A separate kitchen is located off the dining room with its own entrance.

The entire top floor of the chalet is dedicated to the master bedroom.

With a private lounge area, dressing room, en-suite bathroom with shower and a secluded balcony, this is certainly the most opulent of bedrooms.

Three double bedrooms, a twin bedroom and a quad bunk room are located on the upper ground floor. All of the bedrooms have en-suite bath or shower rooms and access to the terrace. Also on this floor is a

lounge/games room - an ideal place for children and teenagers to socialise together.

Immerse yourself in a world of luxury in the chalet's deluxe spa situated on the ground floor. A large indoor heated pool, hammam, sauna, four massage rooms, plus an outdoor hot tub, bar and relaxation area provide plenty of opportunities to indulge and truly unwind.

There is also a well-equipped gym with mountain views, a large cinema room where you can recline in front of a movie and a private wine cellar with windows looking onto the pool.
