Modern Chalet for rent in Verbier

In 2020, Chalet was completely renovated to a very high standard, complete with sauna, hot-tub and south-westerly facing balconies. This free-standing chalet is spread across 3 floors with 5 well-appointed en-suite guestrooms. The entire middle floor is dedicated to open-plan living and socialising, with a modern kitchen and large dining room/lounge. The main feature in the room is the large open-fire, whilst the full-width floor to ceiling windows let the light pour in and offer amazing views of the valley and beyond.

Chalet can comfortably sleep up to 10 guests in 5 bedrooms. Upon entering the chalet on the ground floor, you'll find 2 x en-suite double bedrooms, a sauna and a hot-tub. The main living/socialising areas are located on the middle floor, with lots of space and with light pouring in from the full-width, floor to ceiling windows. The top floor comprises 3 x en-suite twin rooms, plus a snug area with 2 x single sofa beds (ideal for children).

Chalet is just over a 5 minute walk to Place Centrale and just over a 10 minute walk to the Medran Lift Station. However, if you prefer, our in-resort shuttle driver service is available from 08:00-11:00 and 15:00-19:45.
