Perched high above Verbier in the exclusive Sonalon area of the resort, Chalet provides a charming base for a luxury ski holiday. From the chalet, it is a five-minute drive to Place Centrale and three minutes to the Carrefour area. Advanced skiers can ski straight back to the terrace at the end of the day.

Set over four floors, Chalet offers a traditional alpine setting with neutral tones and traditional stone and woods throughout. You enter the chalet via the underground garage with stairs leading you to the heart of the chalet. A spacious open-plan kitchen, dining and living area, complete with vaulted ceilings and fireplace, provides the perfect spot to relax after a day on the slopes. Step out onto the extensive balcony and enjoy some of the finest views over Verbier.

Chalet accommodates up to 14 guests across six en-suite bedrooms. The top floor is home to the luxurious master suite which features a private balcony and fireplace. There are a further three double bedrooms (of which one can be configured as a twin if preferred), a single bedroom with a pull-out sofa bed and a bunk room sleeping four children.

After a day's skiing, return to the chalet and unwind in the sauna, enjoy a movie in the TV room, or just drink in the jaw-dropping views from the terrace.
