Chalet is one of the finest apartments available to rent in Verbier. The apartment occupies the second floor of a building, with a lift delivering guests directly into the open-plan living and dining area. Traditional in style, the apartment features exquisite furnishings, sumptuous materials and plenty of alpine-related decor, creating a setting full of rustic charm. An open stone fireplace, surrounded by fur-draped armchairs and sofas, provides the perfect spot to relax after carving up Verbier's exhilarating ski terrain. French windows provide access to a south facing balcony, with a private hot tub.

Chalet accommodates eight adults and four children in five beautifully furnished bedrooms, including a master suite with access to a wrap-around balcony. There are a further three double bedrooms (two can be configured as twins) and a quad bunk room ideal for children. A shared spa on the ground floor has a sauna and hammam.
