St. Moritz Chesa

St. Moritz Chalet

St. Moritz Chalet is the old and typical **Engadine village** which you find in the famous valley on the banks of the Inn river. Once a very important commercial village, it is considered nowadays one of the most charming and authentic areas of the **Engadine**, where many famous people enjoy their holidays. This **St. Moritz Chalet**, in the old part of the village, is part of a historic group of elegant chalets dating back to the 17th century. Its wise restructuring, carried out in 2006, has been faithful to the typical local architecture. The owners have maintained the unique local traditional style while combining it with an innovative, elegant and modern touch. The old original wooden planks welcomes you in the entrance together with a motorbike used as a piece of art. From the entrance you are directed to the modern sitting room where the predominant white colour is interspersed with the colourful works of art. From here, you reach the original pinewood dining room, which can accommodate up to 12 people. The natural light, piercing through the windows of a small terrace on the third floor, fills the whole house and gives light to the bedrooms situated on the same floor, under the pitched roof, which enjoy direct access to the terrace, where you can sunbathe and relax before taking a sauna. This **St. Moritz Chalet** is indeed an extremely comfortable and enjoyable property where to spend many days in peace

The **St. Moritz Chalet** can accommodate up to 8 people in 5 bedrooms. It has all the essential modern necessities and technological requirements to make it the perfect welcoming retreat. One will be able to recover and relax after a day of sport, thanks also to a comfortable sauna, a delicious dinner prepared by our experienced chef and a drink in front of the soothing fireplace.

Thanks to its unique position, **St. Moritz Chalet** offers many types of activities, from skiing and cross-country skiing, to golf, cycling, walking and climbing. It also offers easy access to the more glamorous St Moritz (in less than 20 minutes), Celerina and Pontresina, as well as Lagabl, Corvatsch and Diavolezza. This **St. Moritz Chalet** is ideal for those who love sport, but also for those who would just like to relax in

the company of friends and family.
